## TOP TEN: RANGE ROVER AND SV

Since 2014, the expert engineers and craftsmen and women at Special Vehicle Operations have been responsible for designing and producing the fastest and most exclusive Range Rover models in the luxury SUV's 50-year history.

ABOVE & BEYOND

### BESPOKE COLLECTION

Special Vehicle Operations has produced a number of unique personalised Range Rover models for some high-profile customers.

#### SPECTRE RANGE ROVER SPORT SVR

This purpose-built SVR featured a lightbar on the roof and was driven in the 2015 James Bond film by Mr Hinx, played by actor Dave Bautista. The perfect car for any Bond villain, another Range Rover Sport SVR will return in the upcoming *No Time To Die*.

#### ANTHONY JOSHUA – RANGE ROVER SVAUTOBIOGRAPHY DYNAMIC

The heavyweight world champion boxer took delivery of a personalised SVAutobiography Dynamic in 2017, with personal touches including World Champion Graphite paint and inscribed treadplates.

#### STATE REVIEW RANGE ROVER HYBRID

This bespoke one-off open-top hybrid is automotive Royalty in every sense.

#### RANGE ROVER ASTRONAUT EDITION

This exclusive model is out of this world with bespoke upgrades for Virgin Galactic astronauts only.
